For Colored Patrons

As herver time approaches, more and morefarm validies and implements will be using or creening highways. The Miss-issippi Highway Patrol says watch out.

THE RESERVE OF A SHEET

Esch fell "gethering time", the frequency of ferm-highway accidents increases shorply. Domes of these mishaps result in sections injury; many kill, according to Chief of Patrol Bill

One major cause evident in these accidents is the automobile driver's apparent inability to judge the speed of a slow-mov-ing form tractor or wegon, and as a result, reer-end collisions ofeen occur. Each year, several persons die as a result of these day time mishaps, which could have been prevented had the aucomphile driver anticipated this seasonal hazard and driven with evire precention.

But the responsibility of pre-venting farm vehicle - auto accidents does not lie altogether on the driver of the automobile. Chief Head points out that afthough state laws are very len-tent reporting farm machinery, at does require that every vehicle using the highway be properly lighted. Also, a farm machine should be operated in such a manner as to constitute, at most, minimum hazard.

Practices such as pulling onto a highway to turn around at field row's and should be avoided, also sudden U mens, or mesing without adequate warning. Over-width wegons and other

such systement should be lespt off the highway unless due pro-cautions are taken to insure that an accident will not be caused, "Paraning in a vital part of our way of life," summarized flood, "but each year we have had scenes of accidents in-volving faces machinery heing tempoments assigned at insureimproperly equipped or impro-perly spectated as our highways. The scenamic loss moulting in property demage, hedly injury, and death has been staggering."

Daring 1956, there were 686 accidents reported involving "F (Pasm) Tag" trucks, 26 of these resulting in 36 traffic deaths. One hundred ninety-eight perseas were tajured and the aconomic loss well exceeds a quarser million dollars.

The Highway Patrol requests that farmers and motorists allice exercise entra care this full. Farm-highway accidents can be curbed.

### Rev. Johnson Leaves For Ognaha

The Rev. Charles R. Johnson, rector of Christ Spiscopel Church, left Treedey for Ossake, Nebr. where he will attend : Church and Group Life Laborapory at Brownell Hall. The Rev. Mr. Johnson was

awarded a full scholarship for the conference which is scheduled for August 19-31. In his absence, the Rev. Lati-

mer W. Gerrett, and stent rector. will have charge of the Patish.

### Searths Show Rare leaning Corous

Two rame night blooming co-rains plants belonging to bir, and birs, R. J. Spain of Clermont Harlier have been blooming during the peat week.

Men. Spake reported one of the plants hold six of the levely middle blooms while the above hore two blooms. These plants are about 75 years aid activacegives to the Spakes by Mc, Spake's justifier who had but them since

they were very small.

A member of the cactus family, the night blooming cacsus or carain grandiflocus, normally blooms only once a year althoug the Spain plants have blasmed twice this year,

The blooms, which have been said to resemble a tiny cradle with a child inside and a star over it, smeally begin to open about 10:00 p.m., completing the open-ing process near midnight, and

pert of the bloom, the Star of Bethieben.

dition to the two cersus plants, Mr. Spake's mother also gave her a Jerusalem thorn plant and an asparagus Sern, both of which are also about 75 years old.

### Two Sponsors Added To Beauty Contest

Bea Georgi's Realty Co. and Soldink's Grocery Stoce have been added to the growing list of sponsors for the Beauty Contest to he given by the perish of St. John's Church in Lakeshore at the Lakeshore Civic Hell, August

18 at 7:00 p.m. Mrs. A. N. Thomas and the members of the Alter Society at St. John's plan to have send-wiches, cold drinks, cake and condy available during the con-

of 12 and 17 have asserted

change for the consection a 3 of change will be made for the descen-Proceeds will be applied to the building fund of the church,

# PRJC To Goon New Session September 1

August 6-Peerl River Junier Coilege will open its 1967 section on Sunday September 1 at which time the deconisories will be open for soudents their patients and violeing guests, according to Deer Robert L. Johnson.

Dean Johnson further stead that on Monday September 2, freelenen will receive orientstion and that the high school Pable has it that the bloom resembles the Christ child in messer. On Tassaley September 3 the entering freedomen will regioner and on Wednesday the part of the bloom the Sear of 4, classes will scart at 8:15

> term, the college has under gone some memodaling with renovations being made in the calescria where commic tile wenempleyed and new stainless swel kitchen calents, tables, and etc. were installed. Other improvements were made with the installation of caranic tile in all of the baths in the decisionies and new ternicere added to the girls dor-

A new Metals Processing La-housery building has just been completed which util house the newly added course in Mechanical Technology. In addition to this new department the college is also ellering two wher new compes in Appointive and Chemicel technology, Almosty under way are the Desiting and Benign technical course and the Civil Technical course. seet and for the dance which will
